Dear Ms. Best:

On 9 November 2018, the office of the Information and Privacy Coordinator received your 8 November 2018 Freedom of Information Act request for the following records: **materials mentioning or responding to the "extreme hazard to United States interests" described in LOC-HAK-535-21-2-2, which is a November 1975 State Department cable identified as 0 101121Z NOV 75 and as 05715 101218Z. The extreme hazard appears to have been the pending exposure of Lockheed bribes.**

Our officers will review your request and will advise you should they encounter any problems or if they cannot begin the search without additional information or clarification. We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily. We will search for CIA-produced records up to and including the date the Agency starts its search. In accordance with our regulations, as a matter of administrative discretion, the Agency has waived the fees for this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Allison Fong", with a long horizontal stroke extending to the right.
